Package of the Month- February 2017

Winner:

Customer Name: Temper Pastry

Product Description: Rigid Boxes w/ sleeves + chocolate bar sleeves, trays.

Temper Pastry is revamping all their packaging. This is the first time our KBA press has printed on uncoated linen stock! Results are spectacular! Temper created amazing graphics using baking ingredients. They then worked with 123 Design and our design team to come up with some fantastic packaging! After many revisions, size changes, material changes and print tests later, we have an eye catching product. Project included embossing on linen stock and clear foil over the embossed area to enhance the look.
